Up All Night Games

Release Date: 19 Nov, 2017

English

stay woke ethereal edition

The worst combat mechanics I've ever seen. Awesome soundtracks, where is the trailer music?. Awesome soundtracks, where is the trailer music?. The worst combat mechanics I've ever seen. Really fun trippy open world 2d rpg, i dont want to spoil anything but the concept is really fun and the game does a lot with it :) I enjoyed exploring the world and slowly poking my way through the content :) Well worth a try, bargain for the price :). Really fun trippy open world 2d rpg, i dont want to spoil anything but the concept is really fun and the game does a lot with it :) I enjoyed exploring the world and slowly poking my way through the content :) Well worth a try, bargain for the price :)
